

# Fawn Arrival™

with Encrypt®

## Digestive Health Paste

*Contains a source of live (viable) naturally occurring microorganisms*

Fawn Arrival Paste is specifically formulated to help support normal GI health and a healthy immune system. Administer to fawns at birth, during times of stress or anytime GI support is desired to help grow healthy, big fawns.

**Guaranteed Analysis:** Total Microbial Count  $3 \times 10^8$  Colony-forming units (CFUs)/gm

*Lactobacillus acidophilus, Bifidobacterium longum, Bifidobacterium thermophilum, Enterococcus faecium, and Bacillus subtilis*

**Directions:** Administer 7-8 grams (1/2 tube) orally to newborn fawns. Administer 15 grams (whole tube) to deer weighing more than 10 pounds. Repeat as necessary. For best results apply paste to the back of the tongue.

For animal use only • Store in a cool dry place out of sunlight

**Ingredients:** Corn Oil, Sodium Aluminosilicate, Powdered Cellulose, Acetic Acid, Fructo-oligosaccharides (FOS), Psyllium Seed Husk, Dried Whole Egg, Calcium Silicate, Dextrose, Dried Egg Yolk Solids, Sorbic Acid (a preservative), Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Selenium Yeast, Dried Whey, Polysorbate 80, Dried Yucca Schidigera Extract, and Dried Fermentation Products of: *B. subtilis*, *B. longum*, *B. thermophilum*, *E. faecium*, *L. acidophilus*.
